

Meet Europe: Opportunities for young people

28 APRIL | 18:00

Europa Experience, Luxembourg

Are you curious about the opportunities Europe has for you?

During the **EU Youth Week**, join us for an inspiring and interactive event where you can explore education, volunteering, Traineeships and mobility programs across Europe.

Who will be there: the European Parliament Liaison Office and the Representation of the European Commission in Luxembourg, youth organizations and organisations promoting EU mobility programmes for young people, such as Erasmus+ and the European Solidarity Corps.

This is your opportunity to engage directly with Europe, connect with people who can inform you about **youth programs**, and direct you towards **meaningful experiences that can shape your future**. Whether you are a student or a young professional you will leave with new insights, inspiring contacts, and a clearer sense of how Europe can support your ambitions.

Don't miss this chance to explore, engage, and take your first steps toward active participation in Europe!
